Special Sermon Tomorrow, Lincol Sunday—Storm Prevents Aid Socie Sunday-Store ty's Meeting.

Tomorrow, Sunday, Feb. 11, Lincoln Day, will be observed by the Westminster church with special sermon by the pastor.

Last Sunday the text was the personal question, in Acts 9:6; "Lord, what wit Thou have me to do?" Never until that day, near Damascus, had Paul been made to feel, in everywhere and at all times in God's presence and that God was making personal demands not covered by ceremonials. Paul became a totally different man, after that. As a true preparation for life, we need a similar experience of feeling the presence of God, acknowledging His rule, and asking His guidance.
